Associate Sponsorship Opportunities

*Louisiana Association of
Student Financial Aid Administrators*

LASFAA is an organization of more than 500 members who work in financial aid and related positions at over 50 Louisiana colleges and universities, education-related government agencies, and private companies that offer or support funding for higher education.

LASFAA welcomes your financial support as we work together to promote the availability and effective stewardship of higher education funding. LASFAA is designated as a non-profit corporation under 501(c)(3) of the Internal Revenue Code (Federal Tax ID 72-1204394), which will allow you to receive a tax exemption for the financial support you provide.

In recognition of your support, LASFAA provides a variety of opportunities for you to provide information about your products and services to the membership, and to develop business relationships with members and their institutions. Sponsorship can be for general operation of the association or for specific activities in which members participate.
